

Mineral Springs Avenue Bridge Replacement Project

Project Description: This project will construct a new bridge on Mineral Springs Avenue over First Creek. Related additional work includes a new sidewalk connection from N Broadway to Walker Boulevard along Mineral Springs Avenue. This new bridge was sized based on recommendations in the First Creek Watershed Stormwater Management Master Plan prepared by ARCADIS in 2009.

Existing Mineral Springs Avenue Bridge - Built in 1910

Schedule:

Bid Opening: June 25, 2019

Notice to Proceed:

Contract Completion Date:
